

Obstacle Avoiding Walking Robot Scrollsaw Pattern (page 1 of 2)

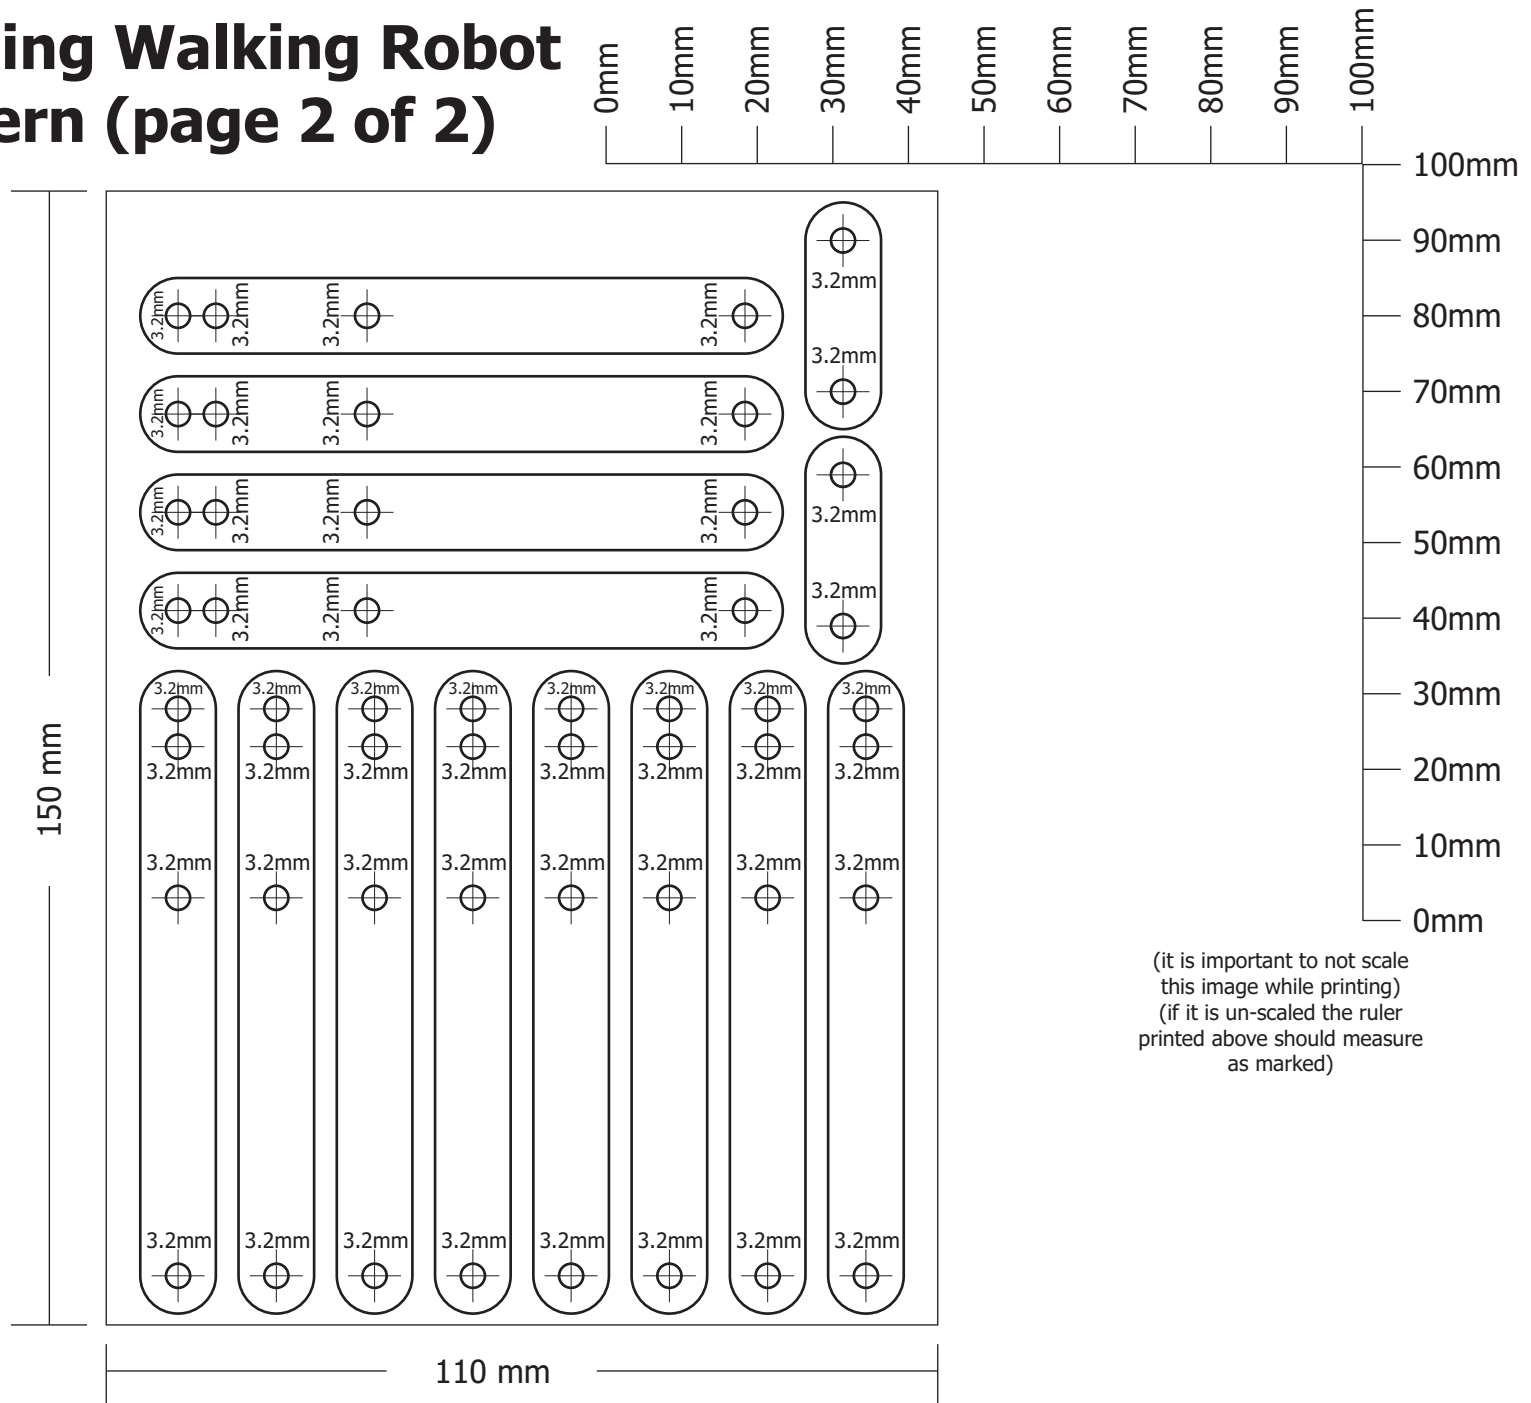

(it is important to not scale
this image while printing)
(if it is un-scaled the ruler
printed above should measure
as marked)

(fits on one sheet of 150mm x 300mm 3mm acrylic)

(printed on two pages because 300 mm exceeds most printers abilities)

Obstacle Avoiding Walking Robot Scrollsaw Pattern (page 2 of 2)

(it is important to not scale
this image while printing)
(if it is un-scaled the ruler
printed above should measure
as marked)

(fits on one sheet of 150mm x 300mm 3mm thick acrylic)

(printed on two pages because 300 mm exceeds most printers abilities)
