Parts Description

- Face Printed from this sheet, 80 lb cardstock recommended
- Slider face Printed from this sheet, same material as face
- Slider backing Same size as slider, 1/8 inch hardboard
- Back Same size as face, heavy cardstock or cereal box recommended
- Top track 0.25 inch square dowel x length of face. Also functions as a spacer.
- Bottom track Same as top track
- Push pin Make from a nail that is approx. 1/16 inches in diameter, cut to approx. 0.5 inches long

Notes

1. When printed at 40%, the calendar face is approximately 3" by 6.5". The slider travel is approximately 8.25".
