F O L D

B O T T O M

READ EACH INSTRUCTION BEFORE DOING THE STEPS !!!

1. Using your scissors First cut the legs. The long ones are for the front legs, and the short ones for the back legs. Put glue on the white box and make an L shape with another leg then keep folding to make an "ACCORDION" like leg. Continue doing this for the other legs. Put aside.
2. Cut the feet and paste it at the end of your legs from earlier.
3. Cut the TOP and BOTTOM body and fold the sides inward. Now place glue on the white rectangle and paste it under the flaps of the top body. This will shape into a "CASSETTE TAPE" like object.
4. Cut the final shape and paste it on both sides of the body giving the body its shape.
5. Lastly position the legs under the body and then paste it.
6. Let it dry. Then make it HOP!! ENJOY!
