

What are you watching Grampus?

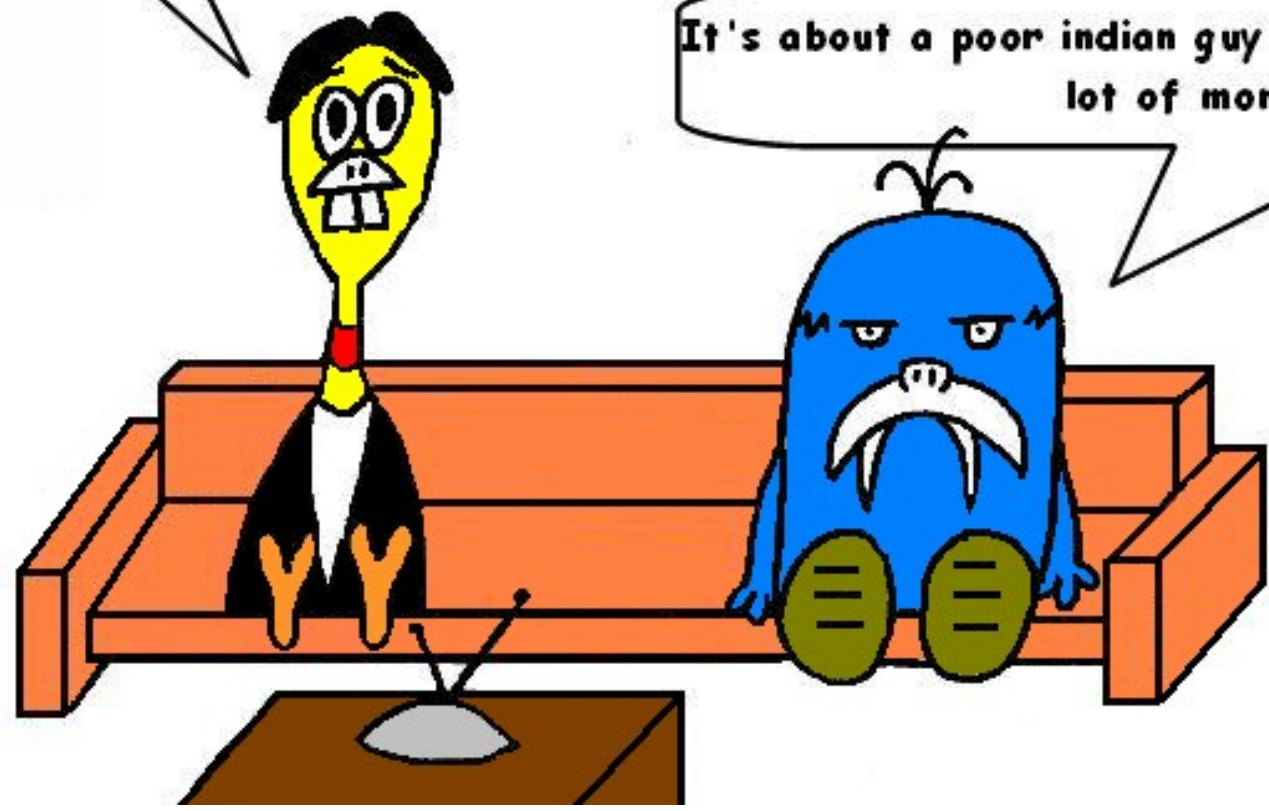

Ooo... I love dog shows

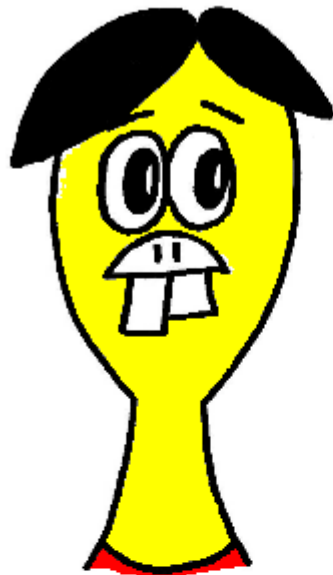

About a dog?

Slumdog millonaire

It's not a dog show, it's a movie

It's about a poor indian guy who wins a lot of money

If I had lots of money I would build a home for all the poor indian kids on the streats. I would call it *Goofus Happy Shelter*. What would you do *Grumpus* if you had lots of money?

Since I am a kind, loving and generous person...  
I would probably do the same  
...maybe I would change the name
