Reindeer Ears

Get into the festive spirit and make your friends and family some fun Christmas headwear.
To make these Makedo Reindeer Ears, we've used a sheet of cardboard and a strip of coloured card, along with some Makedo parts available from **mymakedo.com**.

· Find · Sketch · Cut ·

1 To make your Makedo Reindeer Ears you will need some cardboard and a few Makedo Parts.

2 On a piece of cardboard, draw out the shapes of two ears and two antlers.

3 Carefully cut out the drawn antlers and ears.

· Bend · Punch · Connect ·

4 To make the head band, measure and cut a strip of cardboard that fits your head size, ensuring there is some overlap to join the ends together into a loop. Use the point end of the Makedo Safe-saw and punch a hole where the cardboard overlaps.

5 Connect the headband together using a Makedo Re-pin and Re-clip.

6 To connect the ears to the headband, use a Makedo Lock-hinge positioned on a right angle and connect the ears using Makedo Re-clips as shown in the image.

· Connect · Share ·

7 Repeat the process to connect the antlers in the same way.

8 Your Makedo Reindeer Ears are complete. Try making other Christmas characters like Santa Claus or and elf for your family members to wear at Christmas. Rememeber to take a photo and share your creation at **mymakedo.com**.
