

METAL SLINGSHOT

Great for kids

MATERIAL

Coat hanger

Pen

Rubber band

Tape

Combination Plier

Blade

—

MAIN STRUCTURE

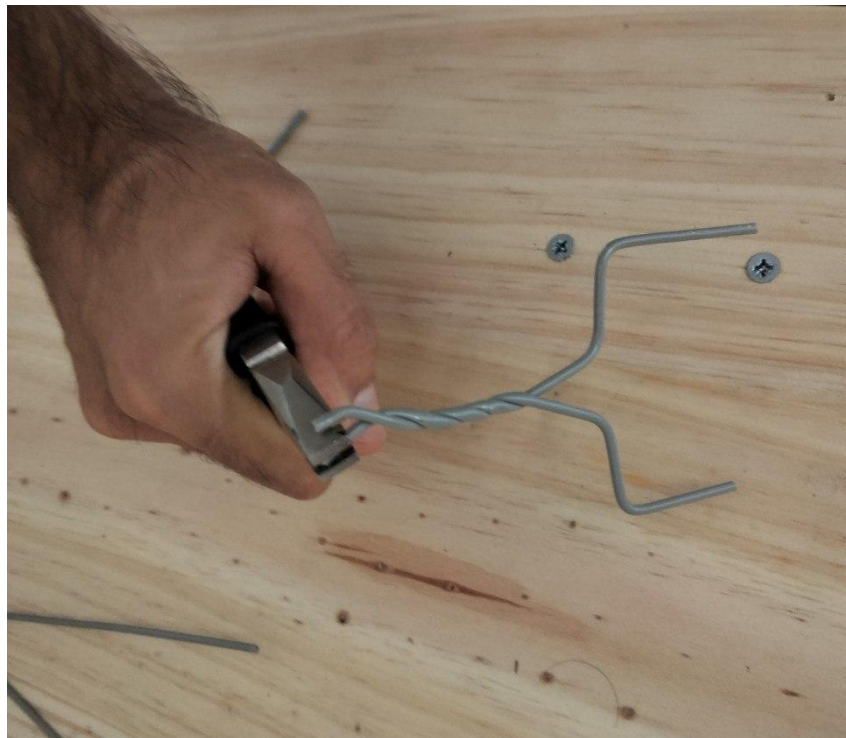

Remove the hook

Clip the arms

SHAPE

Bend the arms (rectangular U shape);
Twist the hand grip edges (safety)

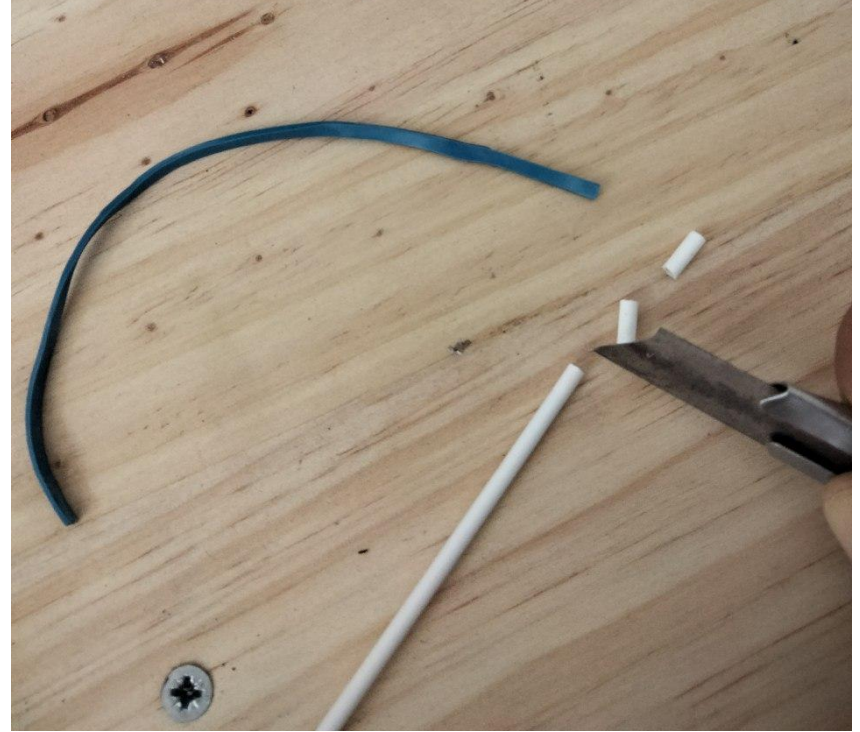

Trim the plastic cover (just the tip)

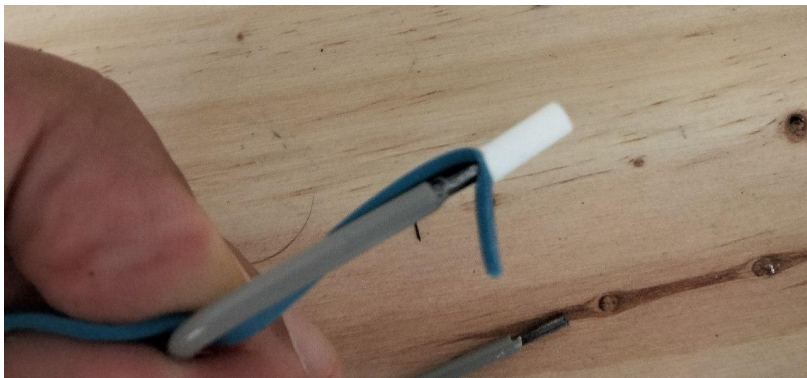

OTHER ELEMENTS

Disassemble the pen;
Split the rubber band

Cut the pen's ink chamber
(2 small bits)

TRICKY PART

Assemble the hanger, the ink chamber and the rubber band together

NOTE: it should be really tight!

FINISH

Repeat previous step for both arms

Wrap the handle with tape
(just to look cool)

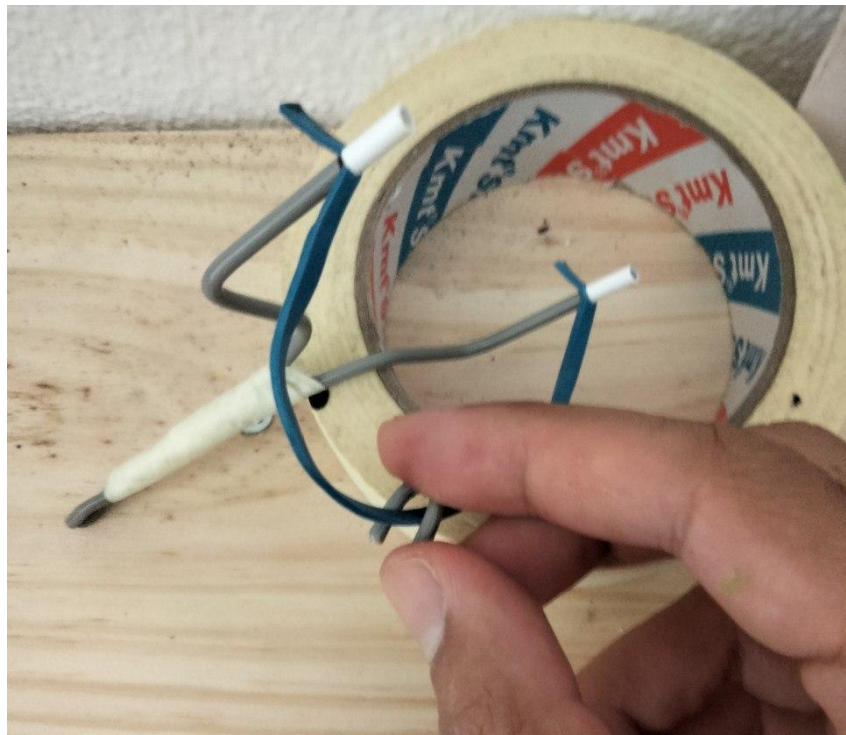

AMMUNITION

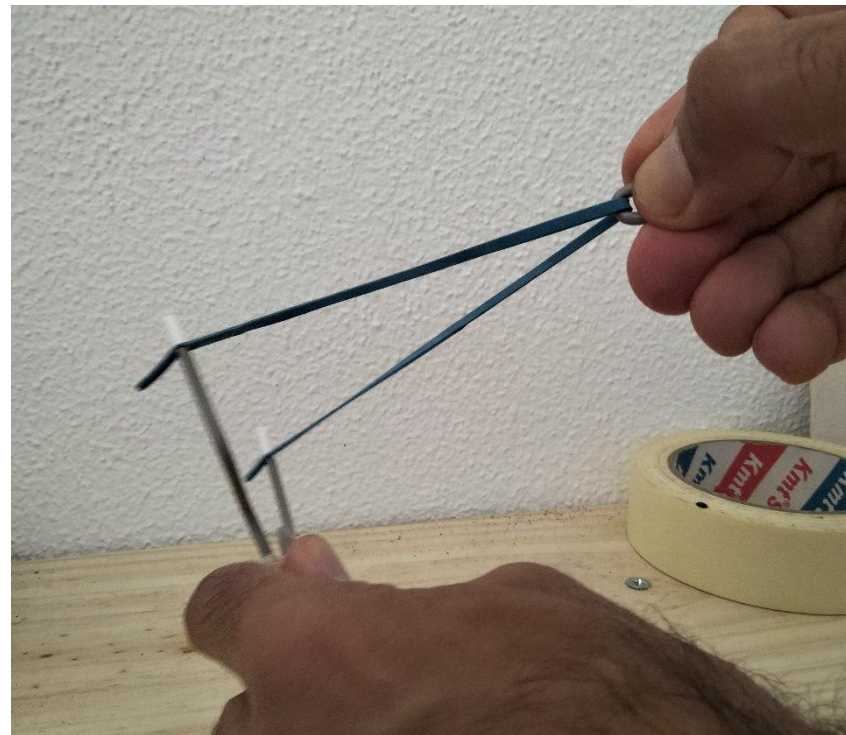

Use the spare part of the hanger to create the ammo clip:

- Grab
 - Fold
 - Cut
 - Repeat
-

FIRE IT!

Insert the clip on the rubber

Pull and release!

HAVE FUN

Practice

Safety warning: clips can sink deeply
