

Band Saw Safety and Operations Test

Given a properly functioning band saw, accessories, instruction and demonstration of use, each student will be able to: Identify the major parts of the band saw. Pass a written test on safety and operating procedures of the band saw with 100 percent accuracy. Demonstrate ability to use the bandsaw, following suggested safety rules and correct operation procedures.

Identification of basic band saw parts. Match the correct number with the part description provided.

Table		Table Fence		Upper Guides and Guidepost	
Blade and Insert		Tracking Adjustment Knob		Table Tilt Knob (hidden)	
Blade Covers		Blade Tension Knob		Guidepost Depth Adjustment knob	
Blade Cover Knobs		Guide Post Lock			

True or False - Circle if the statement is true or false

1. The operator should make sure that the work to be cut is started *off of the blade* before the cut is made.
 - a. True
 - b. False

2. It's okay to push the stock as hard and fast as possible through the blade when using a bandsaw.
 - a. True
 - b. False

3. Long hair should be tied back and hanging jewelry removed to protect the operator from entanglement in the band saw.
 - a. True
 - b. False

4. The operator should check over all alignment blocks and bearings before operating the bandsaw.
 - a. True
 - b. False

5. The operator should adjust the depth adjustment so that the column end is approximately 1" off of the top of the stock being cut.
 - a. True
 - b. False

6. Wearing safety glasses is optional when using the band saw.
 - a. True
 - b. False

7. It is safest for the operator to keep their hands 4" or more away from the moving blade at all times.
 - a. True
 - b. False

8. The operator should remove stock from near the blade while the blade is moving.
 - a. True
 - b. False

9. Do not use the band saw without your instructor's permission, a successfully completed safety exam, and guidance from your instructor.
 - a. True
 - b. False

I do hereby certify that the student has satisfactorily demonstrated the ability to operate the Bandsaw by passing this performance test.
