

1

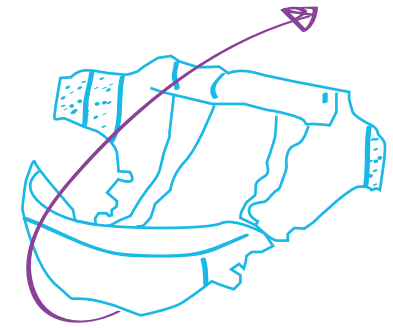

Place the baby on its back.

2

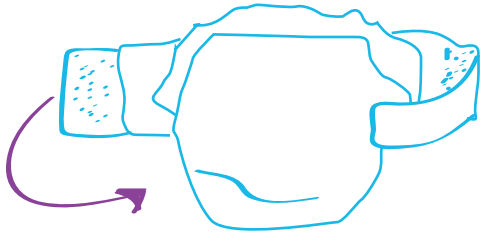

Unfold both flaps on the diaper.

3

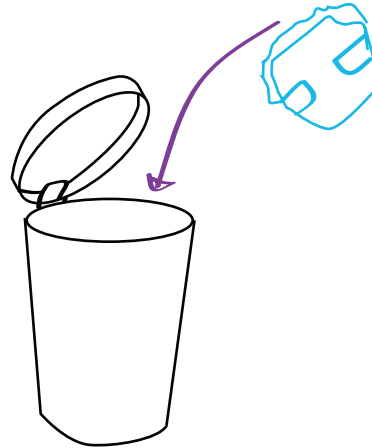

Roll up the diaper, front side first.

4

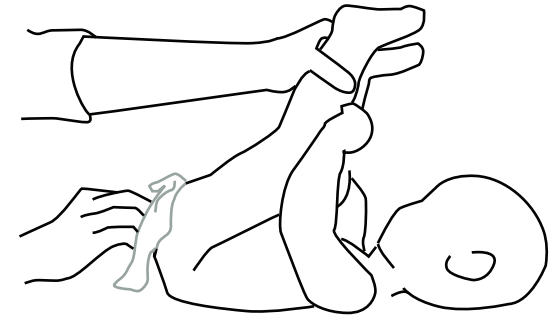

Secure the rolled diaper by sticking the flaps to the front of the diaper.

5

Throw away the dirty diaper

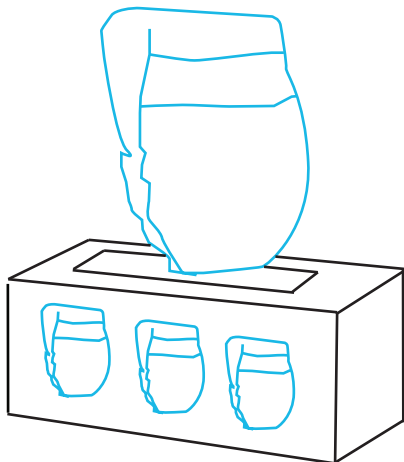

6

With a clean "baby wipe," wipe the baby's bottom.

6

7

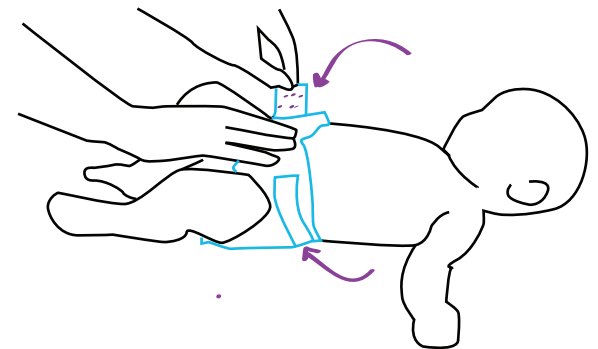

Get a new diaper

8

Hold baby's legs up and place new diaper under baby.

9

Secure both flaps to the front of the diaper.
