

In the forgotten days,
the world was peaceful and whole.

But the Fracture arrived,
and tore the world apart.

Now the only connection between
disparate lands are the ancient portals...

...and they are guarded by covetous
fiends who thrive in the darkness.

The world awaits heroes who will
restore light to the portals
and reunite the peaceful realm.

In the forgotten days,
the world was peaceful and whole.

But the Fracture arrived,
and tore the world apart.
