Wooden Minecraft Creeper template

1.5" cube
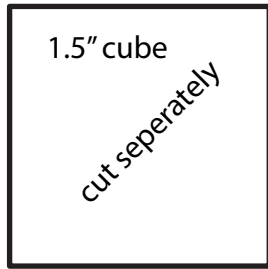

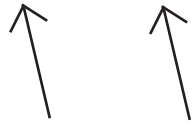

cut seperately

The Creeper is cut out of 1/2"
board, with the exception
of his head, which is a 1.5" cube.

Scroll saw or CNC the blue lines.

The joint holes can be drilled
using a drill press with a
3/16" bit to go with the 3/16"
wooden dowels.

Our dowel holes will be drilled here
