

Soon the shop was filled with wonderful treats. Cream pies, cakes, cookies, donuts, croissants, bread, and pretzels. "There is something else that we need," said Malcolm Owl.

"We need a NAME for the shop!" said Rowan Owl. So Malcolm Owl and Rowan Owl made a big sign. The sign said, "Pinka's Shop." "There is something else that we need," said Pinka.

Soon Pinka returned with a cash register.

"Now we are ready to open our shop," said Malcolm Owl.

"We are very excited!" said Rowan Owl.

But then Malcolm Owl and Rowan Owl looked up at the sign.

The big, pink, PINKA sign.

## Pinka's Shop

One fine day, Pinka said to Malcolm Owl and Rowan Owl, "I think I would like to have a shop. I make really marvelous cream pies. There should be a place where I could sell them."

The owls got right to work. Pinka added a row of cream pies on the first shelf. Malcolm Owl made donuts. He arranged them in a colorful display. Rowan Owl made croissants... AND pretzels.

"We will help you look for a shop," said Malcolm Owl and Rowan Owl. Pinka and Malcolm Owl and Rowan Owl looked at many buildings before they came to the right one. "These shelves will be perfect for displaying my cream pies!" cried Pinka. Malcolm Owl and Rowan Owl agreed.

Malcolm Owl and Rowan Owl and Pinka went to the back of the shop. "This oven will be PERFECT for baking cream pies!" cried Pinka. Malcolm Owl and Rowan Owl agreed. They also had plans of their own. They planned to make other treats for the shop. MANY other treats!

When Malcolm Owl and Rowan Owl saw the new sign, they could hardly believe their eyes.  
 "That is one big sign," said Malcolm Owl.  
 "That sign doesn't even FIT," said Rowan Owl.

But there was no time to talk about the new sign.

Customers were ready to come into the shop and buy treats!

Did Pinka and Rowan Owl and Malcolm Owl change the sign?

THAT will be in the next story!

THE END

Then Pinka put back the part that said "SHOP".  
 Now the sign said,  
 "Pinka, Rowan Owl, and Malcolm Owl's Shop."  
 "I think this will make Malcolm Owl and Rowan Owl VERY happy," said Pinka with a smile.

Then Pinka put up a NEW part.  
 Right after the "Pinka" part.

Pinka could see that Malcolm Owl and Rowan Owl were not very happy.

She looked up at the sign.

The big, pink, PINKA sign.

Pinka went to the back room.  
 She had a big white board.  
 She had blue paint.  
 She had a good idea.

Pinka got her big white ladder.  
 She climbed up the ladder.  
 She took DOWN the sign that said "Shop."
